Escapades en Périgord

About us

We are Martine and Patrice PAULY : nature lovers, epicureans, hedonists, motorcyclists and travel enthusiasts. We decided to furnish two houses in a high-quality cosy style designed around spending wonderful vacations in the Dordogne.

Our aim was to combine our passion for our beautiful Perigord region and the pleasure of welcoming visitors to the property.

Since 2019 we have had the satisfaction of greeting guests and we are delighted to help make their stay a unique experience.

It is an honor to meet the families who have chosen to trust us with such an important moment in their life: their vacations.

Whether you are planning a week-end getaway or your once-a-year break, we will go above-and-beyond to make your time here a success.

We hope to see you soon in one of our cottages or lodges for your very own Perigord excursion.

When creating these cottages and lodges, our intention was to make an exceptional space offering a full change of scenery.

The decoration is sophisticated and each property boasts a private spa, sauna, steam-bath and heated swimming pool.
